DECORATIVE GLASS SERIES

Roxyglass is a leading Indonesian glass fabricator established in Jakarta in 1990. The company has a wide range of experience in glass for building and decorative products and draws its inspiration from the elegance and versatility of this beautiful material.

We supply not only a comprehensive range of standard products, but also custom made-to-size product, both Ceramic printed and Insulated glass.

Employing an in-house design team of creative designers and experienced craftsmen, we have the ability to mass produce high quality glass in compliance with international product certifications such as (ANSI, BS-EN, JIS and AS-NZS 2208).

ISO 9001:2008 - 493509 QM 08

500% Stronger than Ordinary Glass • Noise Reduction • Energy Saving • Easy Maintenance

DOMES

Roxyglass Domes are comprised of two elements in essence: a steel frame that is configured into divisions or sections, and of course the beautiful stained glass panels. The glass panels are curved to give a true domed shape that is more pleasing to the eye and senses. These are magnificent architectural art glass elements that will light up the room and set the mood in a room.
